WORK EXPERIENCE

Product Manager

Liqui.do

Liqui.do is a rapid growing startup on the renting business facing many challenges and I, as product manager, I am lucky to be among the young team moving this Portuguese company forward. I am working close to UX/UI and development teams where my main responsibilities consist in:

- Product development and product road mapping
- Team coordination as project delivery manager
- Customer interviews
- Product Design Sprints applying Design Thinking Methodologies
- Agile methodologies implementation, namely Scrum and Kanban

LIQUI.DO

Feb 2019 → Present
(1 year 5 months)
